ON SALE THE WEEK OF 1/04/11

Dear 'My Sonic Universe',
I am writing to you guys because I am very confused and I hope that you guys might be able to shine some light on my questions.

::takes out trusty flashlight, shines it directly on letter::

I will not ask them yet--

Please hurry, this flashlight is heavy!

--because I am also writing to say "thank you" to you guys for so many victories you have had with the *Sonic the Hedgehog* comics! Also I am writing to let you know that you cannot rock due to the fact that you are not in a band.

...

Now for the questions! 1)In the game *Sonic the Hedgehog*, Silver & Blaze seem to know each other well, but in the comic books it seems that they don't know each other at all. Why is that?

The comics tell a story that is a bit different from the stories in Sonic games. Sometimes, however, we feature game adaptation stories, which JUST SO HAPPENS to be going on right now with "Sonic: Colors" in Sonic the Hedgehog #219!

2) Where might I find the Tails mini-series of Captain Super Fox-Man?

To your local comic shop's back-issue bins, with you! Can't find it at your usual store? Dial 1-888-comic-book to find another store near you!

3) What do you do when you run out of ideas when making a comic book series?

I guarantee you will NEVER see that happen with Sonic Universe or Sonic the Hedgehog!

Hope you will be able to answer these tough questions. It would be a pleasure to be able to some day make Sonic stories like you!

Sonic, Silver & Tails fan forever, Michael M. from Illinois

P.S. - This Christmas will mark the first full year that I've been reading Sonic & Sonic Universe!

Thanks for the letter, Michael! ::high five::

Dear 'My Sonic Universe',
Your comics are really way-past-cool! I have 100 of your "Sonic" comics and all 40 Sonic X comics!

Awesome!

Please make more issues with Speedy!

Sydney M. from Michigan

More Speedy issues, eh? Well, you're hearing it here first, folks: Speedy WILL be back!

Dear 'My Sonic Universe',
I'm a fairly new fan and would like to know a few things.

Your "I'd like to know a few things" is my command!

1) Why is Robotnik called Eggman now?

In the comics, Dr. Robotnik died. (In Sonic Archives vol.13 - on sale now!) He was later replaced by a "Dr. Robotnik" from a different dimension, or zone. That Robotnik changed his appearance earning him the nickname "Eggman."

2) Who is the green hedgehog?

That would be Scourge, Sonic's evil doppelganger! Wouldn't it be nice to see ol' Scourgey again? ::cough::

3) Will Shadow be making any appearances soon?

As you can see, Shadow will be featured throughout the "Treasure Team Tango" arc!

Loved the cover to Sonic the Hedgehog #216!

Your friend, Zechariah B. from Washington

Thanks for the letter, Zech! See y'all next month!
